

EXHIBIT NO. 1

City of Alexandria, Virginia

MEMORANDUM

DATE: AUGUST 31, 2001

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: PHILIP SUNDERLAND, CITY MANAGER *PS*

SUBJECT: ADOPTION OF AN ORDINANCE TO AMEND CITY CODE § 12.12.2
TO CONFORM TO THE COMPREHENSIVE SERVICES ACT
REGARDING PRIVATE PROVIDER MEMBERSHIP ON THE
ALEXANDRIA COMMUNITY POLICY AND MANAGEMENT TEAM

ISSUE: City Council adoption of an ordinance to amend City Code § 12.12-2 to conform to the language of the Comprehensive Services Act (CSA) regarding the private provider membership on the Alexandria Community Policy & Management Team (ACPMT).

RECOMMENDATION: That City Council pass the ordinance on first reading, and set it for public hearing and final passage on Saturday, September 15.

BACKGROUND: In 1992, the Virginia General Assembly enacted the Comprehensive Services Act with the intent of creating a "collaborative system of services and funding that is child-centered, family focused and community-based" to address the needs of troubled youth and at-risk youth and families. The CSA requires that each locality develop a Community Policy and Management Team to manage the process of providing services through maximum use of state and community resources. The CSA is specific as to who must serve as members of the local Community Policy and Management Team. One of the members to be included in the Community Policy and Management Team must be a representative "of a private organization or association of providers for children's or family services if such organizations or associations are located in the locality."

In 1992, City Council created the Alexandria Community Policy and Management Team by City ordinance specifying the membership of the ACPMT. City Council required that the ACPMT include "a representative of a private organization or association of providers of children's or family services whose office is located within the city...." The wording of the City ordinance is different from the language contained in the CSA. The effect of the difference in wording is that the City ordinance is more restrictive and precludes a private provider representative from serving on the ACPMT even if he/she works with City agencies, but does not maintain an office within the City boundaries.

DISCUSSION: The ACPMT oversees various services that are provided to troubled and at-risk youth and families in the City. Many services are provided by the City's youth serving agencies. Other services are highly specialized and are contracted out to private mental health organizations, residential homes or special education schools. The ACPMT enters into formal contracts with these private organizations, many of which are located outside the City's geographical boundaries. The location of these private organizations make them ineligible to serve on the ACPMT because of the restrictions in the City ordinance.

The ACPMT has had continued difficulty in filling the private provider vacancy and the current vacancy has been open for almost two years. The ACPMT believes that amending the City's ordinance to allow such providers to be eligible to serve on ACPMT will result in this vacancy being filled.

INFORMATION ON PROPOSED ORDINANCE

Title

AN ORDINANCE to amend and reordain section 12-12-2 (COMPOSITION; APPOINTMENT; TERMS AND COMPENSATION OF MEMBERS; FILLING VACANCIES) of Chapter 12 (ALEXANDRIA COMMUNITY POLICY AND MANAGEMENT TEAM), Title 12 (EDUCATION, SOCIAL SERVICES AND WELFARE) of The Code of the City of Alexandria, Virginia, 1981, as amended.

Summary

The proposed ordinance alters the composition of the Alexandria Community Policy and Management Team ("ACPMT") by amending the criteria for appointment of the member representing providers of children's or family services. Current law requires that this representative have an office located within the city. The amendment adopts the less-restrictive requirement, that the representative provide services in the city on a continuing and consistent basis.
